

# Sida's approach - innovation

Teresa Soop, PhD

Senior Research Advisor

# Sida's approach

- Ownership
- Long-term commitments
- Sustainability

*"In, by and for"*

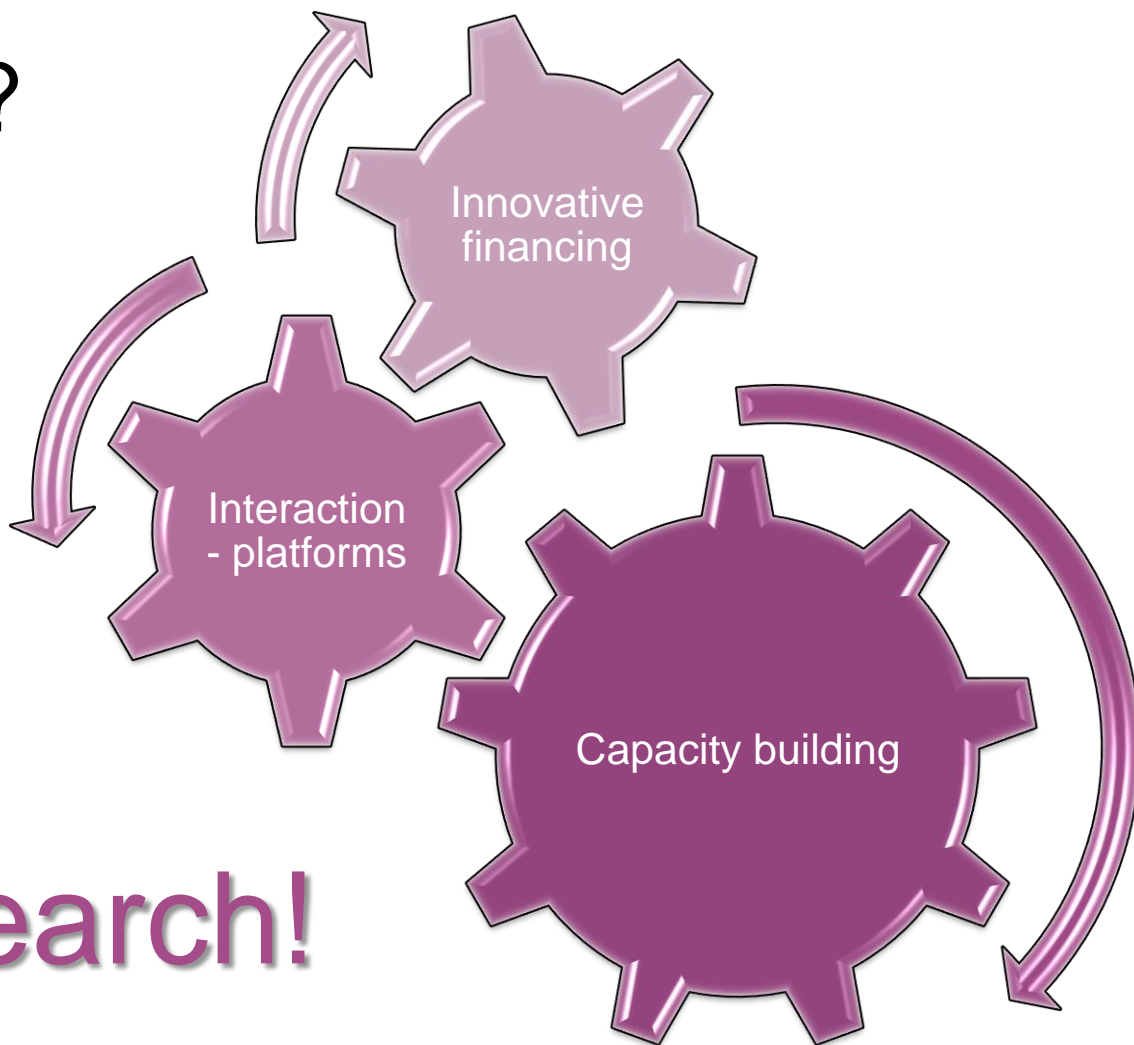

# ”Innovation”

*the use of knowledge - ideas, technologies, or processes – into products, procedures and services that bring **added value** and are **new in a specific context***

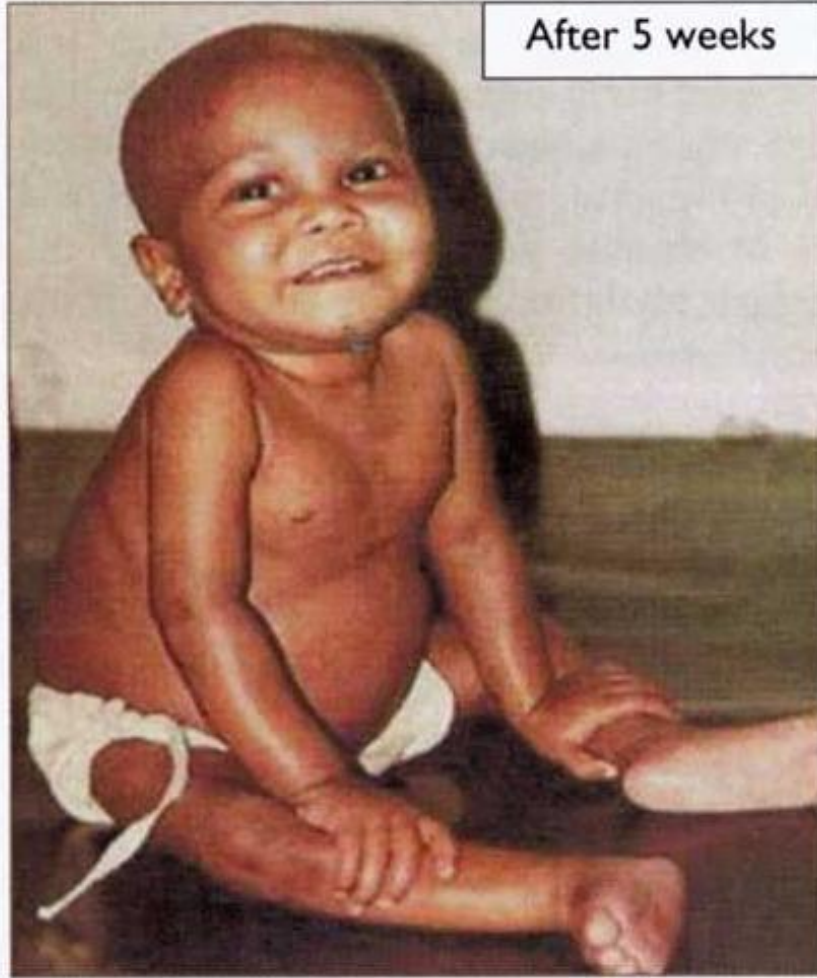

➔ *Societal impact*

# How?

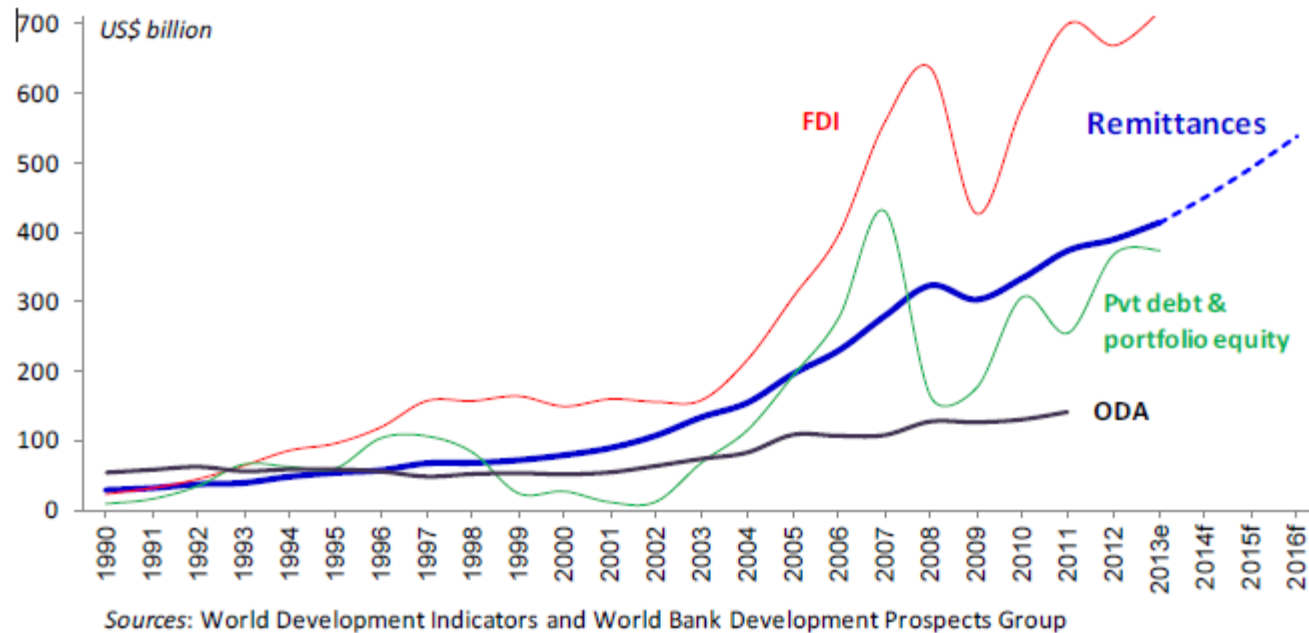

# Research!

***Ready-to-use Therapeutic Food***

# Other financial flows are major to ODA – Partnerships are crucial!

# Success !?
